- Various development and writing contracts
- Various sponsored open source developments

July 2007 - December 2009

EXALEAD - Paris

Research and development engineer

- Research and development
- Preproduction and production
- Packaging

{EPITECH.} - Paris

Speaker

- Cryptography teacher

March 2006 - June 2007

Compagnie Européenne d'Intelligence Stratégique (C.E.I.S.) - Paris

Intern, then Junior Consultant

- Research and development
- Security audits
- Firewalls administration (HA, multi-homing, ...)

Projects

- **OpenBSD** : official contributor
<http://www.OpenBSD.org>
- **OpenSMTPD** : founder and main developer
<https://www.OpenSMTPD.org>
<https://github.com/OpenSMTPD/OpenSMTPD.git>

Publications

Private

- **C.E.I.S.** : "Patch Management"
- **C.E.I.S.** : "Incidents handling"
- **C.E.I.S.** : "Setting up a CSIRT"
- **C.E.I.S.** : "Botnet attacks and Fast Flux"
- **C.E.I.S.** : "The Zeus trojan"
- **C.E.I.S.** : "Evolution of viruses : from destruction to botnets"
- **C.E.I.S.** : "Secure programming"
- **C.E.I.S.** : "DDoS prevention and attacks"
- **C.E.I.S.** : "Virtualization : security, constraints and benefits"

Online

- **Phrack** : "dynamic polyalphabetic encryption cipher" (broken since then)
- **Blog** : <https://poolp.org>

Talk

- **EuroBSDCon 2017** : "OpenSMTPD, current state of affairs"
<https://www.opensmtpd.org/presentations/eurobsdcon2017-smtpd/eurobsdcon2017-opensmtpd.pdf>
<https://www.youtube.com/watch?v=wnhvn1rsXR8>

Book

- **Some book about OpenSMTPD** : currently being written

Hobbies

- Reading
- Music, mostly Jazz, amateur guitarist and beginner drummer
- Pubs, museums, concerts, beach, ...
- Development, hi-tech, gadgets, ...
- Practice of the Penchak Silat martial art
- Occasional practice of street hypnosis
